

PTA FUNdraising

The PTA needs some new volunteers.

At the end of last summer term, seven members of the committee left as their children moved onto secondary school. Between them they had over fifty years worth of experience of volunteering for the PTA!!

There are a few very experienced members of the committee left behind and some very welcome new faces but we do need new helpers, both for the committee and for each of the fundraising and social activities we run. With over 350 families in the school we're sure we can get some more help.

The PTA committee meets twice a term; we also occasionally have sub-committees running where people just help out organising one specific fundraiser; we have volunteers helping with uniform sales and teas and coffees at school events; we have volunteers who don't attend meetings but help produce posters and with other bits and bobs; and very importantly we have volunteers, many of whom come back every year, helping out just on the day or night at an event. So it's not a case of promising your life away but helping out when you can.

We know that the children hugely enjoy the events we run, that the school value the funds we raise and the sense of community we contribute to the school and the volunteers do enjoy themselves between the blood, sweat and wine of events and committee meetings. Joining the PTA is a great way to meet new people, make friends, to do your bit for the school and to have fun.

Over the last few years our lovely new school has afforded the chance to run some great events for our children and the wider school community. We have also doubled the funds we raise annually and we'd like to increase this and buy even more for the school. To do this though we need your help.....

If you would like some more information please hand back the slip below or contact current co-chairs Debbie on 07968 427074 or Angela on 07754 473519 or email mileendpta@yahoo.co.uk

.....

I would be interested in the following (please tick all that apply)

Joining the committee or just attending a meeting to see what it is all about

Helping organise an event

Helping at an event

Helping with teas and coffees at school events

Helping with a lottery funding application

Helping the PTA with communications e.g. newsletters, website, posters,

Helping the PTA with admin e.g. photocopying and selling tickets
